Marking record: the country/provider code and HT designation above were applied to each solid-wood unit in the listed lot. No repair, replacement or treatment of other lots is covered.

Separate accessory: 220 processed plywood separator sheets. These are processed-wood articles exempt from ISPM 15 treatment; the HT claim covers the solid-wood pallets only.

Validity shown is the fictional provider document validity for this lot, conditional on no alteration or repair. It is not a universal expiry period imposed by ISPM 15.
